## Department of Budget and Finance

To: Bid Specification Committee

From: Herb Hyman, CPPB, Procurement Manager 

Through: Christopher Wallace, Budget and Finance Director

Subject: Chain Link Fence

Date: May 20, 1999

The original term of this contract was a one year agreement with an option to extend for two additional 1 year terms by mutual agreement of the parties. The original award was to Tropic Fence and Precision Fence. Tropic Fence is willing to extend the contract for an additional year while Precision was unable to extend their pricing for an additional year. I have checked with using departments concerning the performance of both vendors and also whether having an award to only one vendor would impede their project schedules. All using departments have no problem with an extension to Tropic Fence only. Therefore, this is a recommendation to extend for the first of these 1 year terms with Tropic Fence.

Thanks. Tropic is willing to extend for another year while Precision is not able to hold their prices. How would you feel about extending with Tropic Fence only?

Thanks. Tropic Fence is willing to extend for another year. Precision cannot hold their prices. How would you feel if we extended the contract with just Tropic Fence? Do you think it is detrimental to have only one vendor?
